

Genetically Modified Organism (GMO) Declaration Form

Date _____

This form is also available on our website at www.ilcrop.com.

Please complete for each shipment of corn, soybeans and cotton shipped to IL Crop's Puerto Rico farm. If you are shipping your own materials direct to the farm, fax or email a copy of the completed form to IL Crop's Champaign office prior to sending seed. If IL Crop will be shipping for you from the Champaign, Illinois, office, please include a completed GMO Declaration Form with your shipment.

Please answer the following short questions so that we may assure that both IL Crop and its customers are in compliance with current USDA/EPA rules and regulations concerning the transportation and planting of regulated GMO's in Puerto Rico.

Please indicate what crop you are sending _____
