## Golf Outing

**Please arrive promptly at 9:00 am**

You will need to check in with the Golf Committee to receive your individual information for the outing. You may also participate in the putting contest and purchase a few mulligans in case you need them. Please arrive on time so as to not hold up your team.

## University of Illinois Orange & Blue Golf Course

800 Hartwell Drive  
Savoy, IL 61874  
217-359-5613

## Burlison Award

Proceeds from our golf outing are used to support the **W.L. Burlison Memorial Award**. This award is given to an outstanding University of Illinois Crop Sciences graduate student who demonstrates scholarship, leadership and evidence of professional promise. The recipient is selected by the department head in counsel with members of the department's Graduate Application Committee.

The W.L. Burlison Memorial Award, established in 1960, is sponsored by the Illinois Seed Trade Association to commemorate the career and legacy of Professor W.L. Burlison, third head of the Department of Agronomy (1920-1951), <deceased, 1958>, under whose leadership major growth in the department faculty occurred and soybean became a major crop in Illinois.

## University of Illinois Orange & Blue Golf Course

The U of I Golf Course is an old time celebrated course that has many exciting and challenging golf holes. The University of Illinois Golf Course was built in 1950 as an 18-hole Championship Golf Course. In 1966, another 18-hole tract was added resulting in what is known as the University of Illinois Orange and Blue Golf Course. Our outing will take place on the Orange Course which offers 18 holes that include four par 3's and present many challenges including sand, water, trees, and green undulations.
