IL Seed Trade Association A.L. Lang & W.L. Burlison Memorial Scholarship Fund

The Illinois Seed Trade Association (ISTA) and the University of Illinois Foundation have amended the endowment established in honor of A.L. Lang. The endowment is now named the IL Seed Trade Association A. L. Lang & W.L. Burlison Memorial Scholarship Fund. The ISTA Board of Directors approved a lump sum addition of \$7,000 to the fund. Scholarships will now be award to deserving undergraduate students in Crop Science. As always, the proceeds from our golf outing will be used to support students. Candidates must demonstrate scholarship, leadership and evidence of professional promise. The recipient is selected by the department head in counsel with members of the department.

University of Illinois Orange & Blue Golf Course

The U of I Golf Course is an old time celebrated course that has many exciting and challenging golf holes. The University of Illinois Golf Course was built in 1950 as an 18-hole Championship Golf Course. In 1966, another 18-hole tract was added resulting in what is known as the University of Illinois Orange and Blue Golf Course. Our outing will take place on the Orange Course which offers 18 holes that include four par 3's and present many challenges including sand, water, trees, and green undulations.
